

## Top-Up Bachelor Programme

### Bachelor of Arts (Hons) in Business and Management

The top-up BA programme is issued through the cooperation with a state-certified university – the University of South Wales.\* The entire teaching, organisation and administration of the programme will be carried out by ECBM staff.

 **As the qualification is issued by an acknowledged state-certified university the BA is internationally recognised and allows successful candidates to carry the BA title Europe-wide.**

Since the announcement of the official resolution by the Ministry of Education and the Arts (= 'Kultusministerium') every European country has to accredit qualifications that are registered within the respective system.
